Since CRDF has been experiencing interruptions/distractions during conference calls, below are a few phone tips to be mindful of when on a conference call:

- When speaking please say your name so that the minutes can be properly captured.
- Please mute your line whenever you are not speaking (mute button on phone or *6) to prevent background noise from disrupting the meeting and ensure the best sound quality during the call.
- Refrain from using headsets, speakers, cordless phones, etc., as they can create static or echo on your conference calls.
- If you have any problems during your call please text Brandy Brown at 863-514-7513 or Audrey Goller at 412-554-5143. We will try to resolve the problem immediately.

Pursuant to the provisions of the Americans with Disabilities Act, any person requiring special accommodations to participate in this meeting is asked to advise the Foundation at least 72 hours before the meeting by contacting **Ms. Brandy Brown** by phone at (863) 956-8817 or by email at brandy.brown@citrusrdf.org
