CRDF has been experiencing some interruptions/distractions during conference calls. Below are a few phone tips to be mindful of when on a conference call.

- When speaking please say your name so that the minutes can be properly captured.
- Please mute your line whenever you are not speaking (mute button on phone or *6) to prevent background noise from disrupting the meeting and ensure the best sound quality during the call.
- Refrain from using headsets, speakers, cordless phones, etc., as they can create static or echo on your conference calls.
- If you have any problems during your call, please text Brandy Brown at 863-514-7513 or Audrey Nowicki at 412-554-5143. We will try to resolve the problem immediately.
